YOUNG LIFE NTC

Young Life was incorporated in 1941 by Jim Rayburn, a seminary student and part-time youth minister in Texas, who wanted to reach out to kids disinterested in church. Rayburn went where kids were, and found creative ways to share the love of God with them. His methods continue to transform lives today.

Vision: Every adolescent will have the opportunity to meet Jesus Christ and follow Him.

How Do We Do This? Praying for young people; going where kids are; building personal relationships with them; earning the right to be heard; providing experiences that are fun, adventurous, and life-changing; share our lives & the Good News of Jesus with them in a relevant and non-threatening manner...and loving them unconditionally regardless of their response.

Young Life Northern Twin Cities:

YLNTC serves three high schools within the Northern Twin Cities area: Irondale, Mounds View, and Roseville. We also serve two middle schools through Wyld Life at Highview and Chippewa. Through approximately 50 amazingly dedicated volunteer leaders, we have the privilege of serving approximately 450 students in our Area.

YLNTC has three people on staff: an Area Director, Staff Associate, and Area Administrator. We have nine adults serving on our committee, tasked with planning, strategizing, and praying, in addition to setting the Area's longer term strategic vision & mission.
